INTRODUCING GENEX

GENEX: REVOLUTIONISING EDUCATION FOR A BETTER FUTURE

GenEx was built in the classroom and designed to revolutionise education. Our centralised platform empowers schools and educational institutions to deliver high-quality, internationally recognised education—*making learning more accessible, efficient, and impactful.*

WHY CHOOSE GENEX?

FOR SCHOOL LEADERS

- Streamline operations with a centralised system that keeps everything in one place.
- Gain real-time insights into student progress with data tracking and analytics.
- Foster transparency, accountability, and community engagement.
- Join a global network of educators and institutions leading the way in education.
- Deliver world-class education that is both affordable and accessible.

FOR GUARDIANS

- Stay informed about your child's academic progress anytime, anywhere.
- Enjoy seamless communication with educators for better collaboration.
- Access a comprehensive view of your child's academic journey.
- Become part of a global education community that prioritises student success.

FOR EDUCATORS

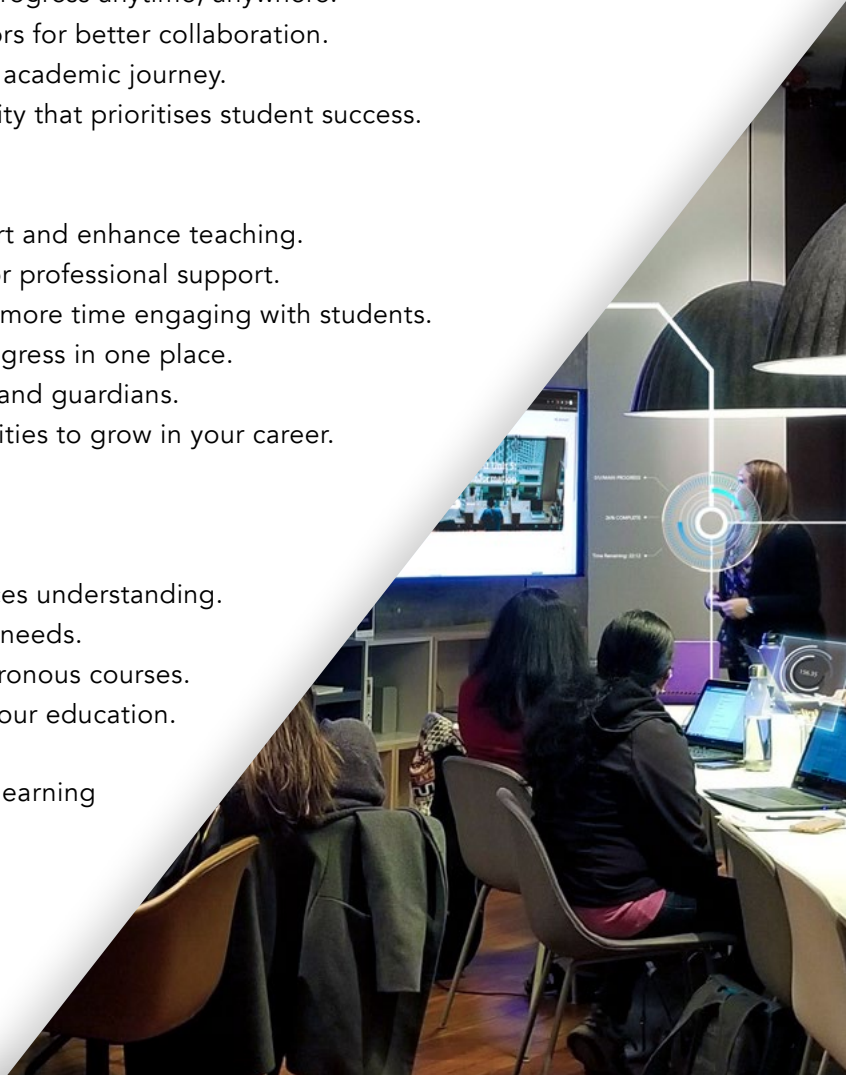

- Access high-quality online content to support and enhance teaching.
- Get guidance from subject matter experts for professional support.
- Spend less time on administrative tasks and more time engaging with students.
- Easily manage classrooms and academic progress in one place.
- Improve collaboration with both colleagues and guardians.
- Explore professional development opportunities to grow in your career.

FOR STUDENTS

- Take charge of your own learning journey.
- Access engaging online content that enhances understanding.
- Enjoy personalised learning tailored to your needs.
- Learn at your own pace with flexible, asynchronous courses.
- Explore alternative pathways to accelerate your education.

With GenEx, education becomes more than just learning—it's about growth, opportunity, and success.

Join us in shaping the future of education!

CAMBRIDGE ASSOCIATE

A Cambridge education prepares students for life, nurturing their curiosity, critical thinking, and a lifelong passion for learning. As the international gold standard for education, it empowers students and educators to become more confident, responsible, innovative, and engaged with the world.

GENEX & CAMBRIDGE: A PARTNERSHIP FOR SUCCESS

As a Cambridge Associate, GenEx makes it simple and rewarding for schools to become Cambridge International registered schools.

We are also a recognised Cambridge Global Online Provider, with the ability to establish exam-only venues worldwide—expanding access to quality education wherever you are.

WHY BECOME A GENEX ASSOCIATE CENTRE?

By partnering with GenEx, you gain all the accreditation and benefits of a Cambridge registered school—plus much more. We offer ongoing support, expert guidance, and cost-effective solutions to help your school thrive.

WHAT GENEX OFFERS:

- Cambridge International School registration made easy
- Expert guidance on delivering high-quality teaching and learning
- Comprehensive guidance for management, educators, and students

With GenEx, your school can embrace the flexibility of a Cambridge curriculum, offering students a world-class education with the freedom to choose their learning pathway.

Join us and take your institution to the next level with Cambridge & GenEx.

STUDENT INFORMATION SYSTEM (SIS)

SIS: YOUR ALL-IN-ONE SCHOOL MANAGEMENT SOLUTION

The Student Information System (SIS) is a comprehensive, user-friendly platform designed to bring together students, guardians, and educators in one seamless digital space.

With SIS, all school operations—academic, administrative, and communication-related—are centralised and streamlined, making daily tasks easier, faster, and more efficient.

WHAT SIS OFFERS:

- Seamless communication through our built-in Chat feature
- Simplified application & enrolment management
- Data-driven student progress tracking
- Clear academic insights with data analysis and reporting
- Efficient school operations with a centralised management system
- Curriculum mapping & academic planning tools
- Comprehensive reporting & student feedback
- AI content generator for enhanced teaching resources
- Easy online task creation, submission & review
- Integrated calendar & school-wide announcements

***SIS is more than just a management system—it's a smarter, more connected way to run your school.
Experience the future of education with SIS.***

LEARNING MANAGEMENT SYSTEM (LMS)

LMS: EMPOWERING STUDENT LEARNING & ENGAGEMENT

The Learning Management System (LMS) is designed to enhance student development by providing engaging, collaborative tools and access to high-quality Cambridge online content. With a student-centred approach, the LMS transforms learning into a dynamic and interactive experience.

KEY FEATURES:

- Easy access to online course content
- Collaborative tools for interactive learning and discussions
- Real-time progress tracking to monitor student development
- Dedicated workspace for completing and submitting tasks
- Seamless resource sharing between students and educators
- Integrated calendar for events, deadlines & announcements
- Continuous assessment opportunities & checkpoints
- Clear lesson plan view for structured learning

With the LMS, students stay engaged, organised, and in control of their learning journey—all in one flexible, digital environment.

Transform education with our LMS today!

ALTERNATIVE PATHWAYS

iBp: A SMARTER PATHWAY TO HIGHER EDUCATION

GenEx provides innovative and globally recognised qualifications that help students and educational institutions accelerate academic progress. Our Intelligent Bachelor's Pathway (iBp) is a flexible, cost-effective alternative to traditional education, equipping students with real-world skills and opening doors to top universities worldwide.

WHY CHOOSE iBp?

- No final exams – focus on learning, not just testing
- Practical, real-world application to prepare for careers
- Flexible, self-paced learning (asynchronous study)
- Study online for maximum convenience
- Internationally recognised and fully accredited
- Bridges the gap between secondary & tertiary education
- Pathways to universities and higher education globally

APPLICANTS NEED A RELEVANT QUALIFICATION FOR ADMISSION:

- **Level 3:** Level 2 or equivalent qualification
- **Level 4:** Level 3 or equivalent qualification
- **Level 5:** Level 4 or equivalent qualification.

ALTERNATIVE PATHWAYS

AVAILABLE iBp PROGRAMMES:

Your school can offer iBp's directly to your students, giving them flexible and internationally recognised qualifications that complement your curriculum and support each student's unique journey.

By integrating iBps, your school enables students to pursue alternative pathways to higher education or employment, focusing on real-world skills, portfolio-based assessment, and practical application.

Offering iBps positions your school as a forward-thinking institution committed to preparing students for success in an ever-changing global landscape.

Take the next step in education with iBp.

PROFESSIONAL DEVELOPMENT QUALIFICATIONS

ADVANCE YOUR TEACHING CAREER WITH GENEX & CAMBRIDGE PDQS

GenEx is a registered Cambridge International Professional Development Centre, accredited to offer Cambridge Professional Development Qualifications (PDQs) to educators worldwide through our interactive and easy-to-use online platform.

WE PROVIDE:

- Cambridge International Certificate & Diploma in Teaching & Learning
- Cambridge International Certificate in Classroom Practice
- Cambridge International Certificate in Teaching with Digital Technologies

WHY CHOOSE CAMBRIDGE PDQS WITH GENEX?

Cambridge PDQs are internationally benchmarked against the Framework for Higher Education Qualifications (FHEQ) for England, Wales, and Northern Ireland:

- Certificates align with FHEQ Level 4
- Diplomas align with FHEQ Level 5

This ensures that educators who achieve a Cambridge PDQ are well-prepared for career advancement, with a clear progression path to Level 6 and 7 programmes.

OUR PARTNERSHIP WITH ANGLIA RUSKIN UNIVERSITY (ARU)

GenEx has partnered with *Anglia Ruskin University (ARU)* — a globally recognised leader in education. This partnership allows Cambridge PDQ candidates to:

- Earn university credits towards higher education courses at ARU
- Pursue a PGCE (Postgraduate Certificate in Education)
- Advance their careers quickly and cost-effectively

With GenEx, educators gain the skills, credentials, and opportunities to excel in their teaching careers - all while learning on a flexible, online platform.

Take the next step in professional development with GenEx & Cambridge PDQs.
